## Thank you!

Over the past ten years, Make It has grown to become one of the most popular and well-attended craft fairs in Canada, with biannual shows in Edmonton, Calgary, and Vancouver. Our massive growth would have never been possible without the support, enthusiasm, and generosity of our amazing community.

Each year, more and more of you have made the conscious decision to buy from our Makies, which in turn allows them to do the work they love. Thank you so much for your continued support, and we hope to see you back for our holiday show!

Gratitude and high-5s,  
*team make it*
